In Cab Branding

In cab advertising is an artistic usage of vehicle branding. In Cab Advertising is a genius advertising method and is highly effective. People traveling through cabs spend a good amount of time looking at the interiors of a cab.

Brand Lead Generation

The entire range of Cab Advertising is available with SuprBag. The advertisement includes

Cab top advertising, different formats of the side door and window advertising, and liveries. Inside the cab, we offer headrest advertising, flyer dispenser, and special promotions.
